

Nurse Practitioner Job Description: The Nurse Practitioner oversees medical services under the supervision of the Medical Director, OBGYN. This is a full or part-time position that will operate from our Macon location with occasional travel to our additional clinics in Warner Robins and Milledgeville. We desire a candidate who demonstrates a deep passion for our mission and those that we serve.

Essential Duties and Responsibilities:

- Oversee all early prenatal care in collaboration with our Medical Director, OBGYN
- Provide holistic care to patients relating to their physical and emotional health.
- Provide women's health exams.
- Provide full scope STI testing and treatment.
- Provide pregnancy testing and limited obstetric ultrasounds.
- Provide patient pregnancy and sexual health education and referrals.
- Provide sports physicals to female patients
- Document clinical findings, observations, and medical care in patient record.
- Review any clinical findings indicating concern for the viability of the pregnancy or health of the patient with the Medical Director as needed.
- Provide appropriate referrals for emergency consultation and care.
- Provide oversight of all medical staff
- Function as lead trainer and contact for all questions, needs and concerns in Patient Services
- Maintain an appropriate standard of care established by experts in the field (AAAHHC, CDC, AIUM, ACOG, etc.)

Education/Experience:

- Must have and maintain a current certification and unencumbered license to serve as a Nurse Practitioner in Georgia
- Background or specialty in Women's Health and/or Obstetrics is strongly preferred

Qualifications:

- Agrees to our Statement of Faith and Commitment of Care and Competence
- Compassion for and commitment to providing abortion alternatives
- A "team-mindset" to contribute to and benefit from working together to fulfill the organization's mission
- Ability to take initiative and be proactive
- Offer strong judgement in medical situations
- Ability to offer a compassionate bedside manner consistently
